Michael O'Mara Books : The Royal Horticultural Society Colouring Diary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Royal Horticultural Society Colouring Diary:

A beautiful perpetual diary that combines full-color artwork from the Royal Horticultural Societys world-renowned Lindley Library with original black-and-white artwork for the diarist to color. An item to treasure in itself, this special diary is made unique by adding color to the artworksadding a truly personal and original touch.
