I keep the book with me at all times to read while waiting in line or just when I need help to finish a garment and the pattern directions are not clear enough. This book is a sewing bible! A must for beginners and advanced beginners. 5 of 5 people found the following review helpful. Just what it says it is: Answer Book By SaltyTribe I have been sewing for many years and have done various types of sewing from dress-making to blankets to book covers. This book has helped me improve how I sew and has taught me how to resolve problems with sewing machines that foul up the material. I highly recommend this book to beginners and experienced alike. 10 of 10 people found the following review helpful. Perfect How to Sewing Book By Jane Oh This is a great little book that gives very clear instructions and great pictures to explain sewing terms and how to instructions. I originally purchased one for my daughter who is learning to sew, but then I purchased one for myself, just to have for reminders of how to do certain sewing tasks that I haven't done in years. It is extremely practical!

This informative and encouraging guide offers proven solutions to all of your most stubborn sewing problems.
