Ruth Singer : The Sewing Bible: A Modern Manual of Practical and Decorative Sewing Techniques before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Sewing Bible: A Modern Manual of Practical and Decorative Sewing Techniques:

0 of 0 people found the following review helpful. Great reference book for beginners. By Ashley M. I first borrowed this book from the library but then noticed I kept renewing and had it for 3+ months. I was just learning to sew and was starting a few projects so I decided to go ahead and look into buying the book so I could mark in it and write notes. When I found it for \$10 I couldn't believe it, I bought it on the spot. The projects in the book are a bit outdated, which is to be expected from an older book like this but the information is still as useful as ever. 1 of 1 people found the following review helpful. Amazing By Raquel I am still a beginner sewer (just got my sewing machine for Christmas!) I started reading this book and it calmed some of the worries I had about being in over my head. It breaks everything down from tools and setup to fabrics and projects. It is thorough and has beautiful pictures to go along with the

descriptions. I recommend this for anyone who is interested in sewing or just needs a reference guide! 0 of 0 people found the following review helpful. To be honest, I have moved and have not ...By Mdstudey To be honest, I have moved and have not been able to read it yet I did thumb through it and will be using it for reference.

A complete course on sewing from threading a needle to couture hemming Finally someone has created every sewer's ideal companion: a comprehensive book on every aspect of hand and machine sewing from the most basic to the most advanced with a modern aesthetic and 20 projects to boot. From simple tutorials to in-depth masterclasses, Ruth Singer packs in lesson after lesson on both practical and decorative techniques. The Sewing Bible includes: Easy-to-use instructions accompanied by hundreds of beautiful photographs detailing every stage of each technique 20 functional, fashionable sewing projects that illustrate many of the lessons from an easy T-shirt transformation to a complex handbag making this a how-to guide and pattern book in one Extensive guides to fabrics and tools, and resources to help you choose the perfect materials and equipment for your projects Advice on using organic and eco fabrics and working with recycled and vintage fabrics With more excitement than traditional sewing manuals, and much more depth than a book of projects, The Sewing Bible is an easy-to-use guide that's as attractive as it is comprehensive. This is the one book you need whether you're a beginner, an expert, or anywhere in between.

About the Author RUTH SINGER is a skilled textile designer and an accomplished textile historian. Her work has appeared at exhibitions including the Craft Council's "Origin" show and New York Design Week. Visit her website at www.ruthsinger.com and her blog at www.mantua-maker.blogspot.com
