and am trying to learn how to make arrangements and what type of flowers to put together. 4 of 4 people found the following review helpful. Great how-to book By Patti M This book is a must for those who want to learn how to arrange flowers. It has step by step directions for several arrangements; describes floral terms and shows examples; guides you through the mechanics of design and placement of flowers; tips for starting a flower business. This book has it all. I highly recommend this book.
