**Scrapbook Guild : The Simple Art of Scrapbooking: Tips, Techniques, and 30 Special Album Ideas for Creating Memories that Last the Lifetime** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Simple Art of Scrapbooking: Tips, Techniques, and 30 Special Album Ideas for Creating Memories that Last the Lifetime:

21 of 21 people found the following review helpful. Comprehensive AND uniqueBy Gwyneth CalvettiThis guide by the Scrapbook Guild does not have colorful, splashy layouts to study. Rather, it contains solid information for those interested in this growing hobby, with enough inspiration to encourage the reader to create her own unique albums. Basic terminology and supplies are covered, and principles of good design are thoroughly explained. Several ideas for unique albums are included, such as a reading group album or theater event album. Those readers who feel that only those with kids can create these works of art, take heart. They will find much to compel them to document their own interests as well.22 of 22 people found the following review helpful. An excellent book for beginnersBy A CustomerThis book gives excellent, step by step instructions on how to start scrapbooking. Although it is in black and white, the ideas for scrapbook themes and the layout examples are unique and inspiring. The section on design is very helpful.7 of 9 people found the following review helpful. A great introduction to scrapbookingBy A CustomerThis book offers many styles of scrapbooking for the golfer, cook, artist, etc. Although all graphics are in black and white,

the charm of the scrapbooks illustrated still inspires.

Creating a customized family heirloom is easier than you think! Now you can create a scrapbook to cherish forever--one as unique as the lives it portrays. This comprehensive source book, produced by the experts at the Scrapbook Guild, will answer all your questions and take you step by step through the process of assembling a homemade work of art. Even if you have no artistic ability, you will learn how to make scrapbooks so full of style, so engaging, they beg to be shared with others, and where turning the pages is as fascinating as walking through a miniature museum. The Scrapbook Guild provides expert tips, professional layouts, and instructions for using original quality materials to produce a treasure that will last for generations...as individual as your own memories. Discover: How to get started Best-for-your-money materials--pens, paper, scissors, album types, and more Remedies for common scrapbook problems Layouts and cropping Border designs, illustrations, textured backgrounds Storage tips Arrangements for items other than photos, such as report cards, sports medals, pressed flowers, business cards, or airline tickets How to hold a scrapbooking bee or get-together A tremendous resource section--with complete ordering information Plus Great Scrapbook Ideas: Wedding \* New House \* Family Tree \* Anniversary \* Travel \* Pet Layouts and Models for 30 Theme Books!

.com Light on frills, heavy on informative text, this handbook will help beginners and adepts alike make their scrapbooks everything they want them to be. Hundreds of tips on all aspects of the craft lead us through every step, from deciding on a theme and designing the page to journaling, adding mementos, even making over an old album assembled before you knew how to do it properly. The lengthy thematic section offers 30 subject ideas, including scrapbooks for cooks, gardeners, sports enthusiasts, theatergoers, genealogists, pet lovers, and travelers, or those celebrating special occasions. There's also information on "Scrapbook Socials"--organizing scrapbook clubs to turn a solitary creative pursuit into a fun collective endeavor. Other scrapbooking guides may be prettier (this has some black-and-white illustrations and diagrams, but no color), but few are this comprehensive. --Amy Handy From the Publisher From advice on the best materials to sample layouts that include captions and lettering--step-by-step instructions on crafting a homemade family heirloom Tips, techniques, and 30 special album ideas for creating memories that last a lifetime From the Inside Flap Creating a customized family heirloom is easier than you think!
