A great set of books and she enjoys everyone of themBy Jerry GolledgeBook was given to my wife to add to her collection of the series. A great set of books and she enjoys everyone of them, thanks for producing the series.1 of 1 people found the following review helpful. Fantastic series of Christmas books!By S. FogeltanzThe whole series of the Spirit of Christmas are legendary. Projects are well illustrated and detailed instructions given. There are always several decorating projects as well as many recipes as well as colored photos included in these books. This series of probably one of the best that was ever done. Too bad that it came to an end last year. Buy it, you will like it.

Special 20th Anniversary Edition Celebrating 20 years of beautiful holiday decor, delicious recipes, and heart-

warming gifts, The Spirit of Christmas delivers an irresistible collection of fresh ideas. There also is a not-to-be-missed sampling of the staffs favorite ornaments and recipes through the years.
