From Kalmbach Pub Co : The Story of Buddy "L" before purchasing it in order to gage whether or not it would be worth my time, and all praised The Story of Buddy "L":

Great book, great condition, but i was expecting much much more than fluff for kids. I'm keeping it because i'm a buddy-l collector, but i was hoping it would be an adult-level book (like a real HISTORY of the Moline Pressed Steel Company). If you're looking for a nice reprint of a "See Buddy-L. See Buddy-L's new dredge. Dig dredge dig!" book, this is it. If you're looking for the authoritative history of Buddy-L toys, keep looking. 0 of 0 people found the following review helpful. Nice item but WAY overpriced if it's a reprint! By DB If this is a reprint - it is WAY OVER-PRICED at \$120. I bought my reprint copy for \$15. I don't want to get a bad rap so make sure you find out if this is a reprint or not before ordering. You can determine the "going rate" for a reprint by searching "Story of Buddy L" on Google or checking the Buddy K Toys website - which is where I found mine.
