From Brand: Windmill Pr : The Toy Train Department: Electric Train Catalog Pages from the Legendary Sears Christmas Wishbooks of the 1950's and 1960's before purchasing it in order to gage whether or not it would be worth my time, and all praised The Toy Train Department: Electric Train Catalog Pages from the Legendary Sears Christmas Wishbooks of the 1950's and 1960's:

0 of 0 people found the following review helpful. A fun book to se all the old model trains and ...By Train Room GaryA fun book to se all the old model trains and prices for the time period. I would recommend this book.0 of 0 people found the following review helpful. AwesomeBy mikeyOne great book! The memories of Sears Wishbooks are great and a reminder of ones childhood! Highly recommended you won't be disappointed0 of 0 people found the

following review helpful. Great bookBy Louie RodriguezNice well take care of book.

Electric trains were high on any boy's Christmas list during the Fifties and Sixties and Sears sold the finest. This neat book contains full-sized authorized reproductions of every catalog page of toy trains sold by Sears from 1950 through 1969. Organized by year, the best and rarest are illustrated: Lionel, Marx, American Flyer, Tyco and Revell trains and accessories. in all gauges. Includes all the original selling prices too! "Must Have" for any collector.

About the AuthorThomas W. Holland is a Los Angeles-based television executive and long time electric train and toy collector.
