Rob Pulleyn : The Wreath Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wreath Book:

A guide to making wreaths, with step-by-step instructions and colour photographs for over 100 projects. It includes ideas for wreaths to hang on doors, table centrepieces, mantel decorations and wreaths to wear, smell or plant.

An encyclopedia of instruction . . . learn how to make wreaths from materials as diverse as potatoes, wine-bottle corks, nuts, and popcorn. -- The New York Times
