Lynette Jensen : Thimbleberries You're Invited: Projects for Special Occasions All Year Long! before purchasing it in order to gage whether or not it would be worth my time, and all praised Thimbleberries You're Invited: Projects for Special Occasions All Year Long!:

16 of 16 people found the following review helpful. A departure for ThimbleberriesBy Rebecca HadenFor many of us Thimbleberries fans, the name is synonymous with Lynette Jensen's quilts. If your idea of a proper Thimbleberries book is a compendium of new and challenging quilt designs, this slim volume may be a disappointment to you. There are 12 sewing projects, one for each month of the year. There is a simple pillowcase with a pocket on it, a few designs with simple flower appliques, some table runners with traditional quilt blocks, and other small projects. Most are suitable for beginners, and that is certainly not a bad thing. There are also some recipes, ideas for handmade cards and

invitations, and inspirational sayings. It's a nice little book, though not perhaps for the price. And not for the adventurous or experienced quilter thinking, "Oh, good! New Thimbleberries designs!" It is certainly a very well-designed and attractive book. There are basic instructions for many useful techniques, and full-sized patterns -- some to copy and some on a pull-out sheet in the back. There is also an advertisement for thread, which adds to the craft-magazine feel of the book. In short, a nice enough book, but not the equal of Jensen's quilt collections. 1 of 1 people found the following review helpful. Fun book By Kindle Customer pleased with this purchase. Lots of cute things to make! 2 of 4 people found the following review helpful. Thimbleberries You're Invited By Susie I probably will only use 2 of the ideas in this book. But, still worth the price.

Create a festive home for every occasion with a year of quilting inspirations packed into this 80-page book by leading quilter Lynette Jensen. Whether you're celebrating Christmas, an anniversary, a birthday...or whatever, you're sure to find quilting projects, recipes, and fun party ideas in this inspiring little book. It includes: 12 quilted projects; decorating and gift ideas; dozens of recipes tailored to each occasion; full-colour photos and illustrations; and easy-to-follow instructions.

About the Author Lynette Jensen has been an inspiration to the quilting industry for fully two decades.
