Archibald Williams : Things to Make before purchasing it in order to gauge whether or not it would be worth my time, and all praised Things to Make:

This vintage book is a detailed manual for the making of a variety of objects, equipment, and furniture. Written in simple, clear language and full of helpful diagrams, this volume will appeal to modern DIY enthusiasts, and would

make for a fantastic addition to any home collection. Contents include: Contents Include: A Sawing Trestle, A Joiner's Bench, A Handy Bookstand, A House Ladder, A Developing Sink, A Poultry House and Run, A Shed for your Bicycle, A Target Apparatus for Rifle Shooting, Cabinet-Making, Telegraphic Apparatus, A Reciprocating Electric Motor, An Electric Alarm Clock, A Model Electric Railway, and much more. Many vintage books such as this are becoming increasingly rare and expensive. It is with this in mind that we are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction.
