Be inspired by the surprising evolution of threads into a creative tool that beautifies projects with design, color,

texture, structure, and ornamentation! *Threads: The Basics Beyond: The Complete Visual Guide to Thread Techniques Creativity* discusses thread and how to weave it into the techniques of quilting, painting, and other artistic mediums. With no shortage of ideas and full color photos throughout, Debbie Bates and Liz Kettle teach you how to use thread in many versatile ways. Follow each step-by-step technique in photos and text, then create a world of your own! Whether expanding your knowledge of traditional techniques or experimenting with thread painting and molding thread structures, you'll experience threads with new creativity and inspiration.
