Hans Christian Andersen : Thumbelina before purchasing it in order to gage whether or not it would be worth my time, and all praised Thumbelina:

5 of 5 people found the following review helpful. Excellent choice for auditory learnersBy Fancy NancyVery pleasant speaking voices, the classical music is well done and offsets the stories nicely without overwhelming the narrative. The stories have morals well worth listening to in the car or at bedtime. The prose is well-written and has an excellent selection of vocabulary words presented in a very straight-forward and intelligent format. Thumbelina was one of the stories with which I was previously familiar and the others will soon become favorites, as with most of Hans Christian Anderson. Wonderful way to expose children to the written word in an interesting format. The stories do not seem to be altered from the original prose, although I would have to check that to be sure. Excellent choice for auditory learners.0 of 0 people found the following review helpful. So happy I ordered this book and it is in great ...By dayna nelsonSo happy I ordered this book and it is in great condition for being a library book and published in 1961. Very little marks inside. Very happy with the book. It's going to be a gift for my mom for Christmas as it was her favorite book when she was little. It will make her very happy.1 of 1 people found the following review helpful. ... book and the Little Tin Soldier two of my favorite books. Had this one as a childBy Joseph N. MastrotiThis book and the Little Tin Soldier two of my favorite books. Had this one as a child. Book is good for a family heirloom.

Charles Scribner's Sons. NY. 1961. First edition, fourteenth printing. No markings or names inside out. Green cloth

boards. Contents and illustrations clean, bright. Book has very light shelfwear, else fine. (VG+). Dj unclipped (\$12.95). Dj has light edgewear and rubbing at corners/folds-VG. In archival protector. Beautiful illustrations by Adrienne Adams.
