**Michele Maks : Toe-warming Afghans** before purchasing it in order to gage whether or not it would be worth my time, and all praised Toe-warming Afghans:

Toasty and cozy describe these 5 toe-warming afghans. Each afghan has a pocket on one end to slip your feet into. They are great for sitting at a ball game, around the campfire or in front of the TV. Stitch 5 great designs all made with worsted weight yarn, for yourself, family and friends.
