No other brands are mentioned. Good photos but too few, I felt. Would have earned 5 stars if it had more.0 of 0 people found the following review helpful. Fascinating!By jsmI love, love, love the whole history of Tom Smith's Christmas Crackers! After doing some

research on them last year, I knew that I HAD to have this book! I was so excited to get it. The illustrations are gorgeous and (for those who know the story) there is even a picture of Martha's memorial fountain.0 of 0 people found the following review helpful. Five StarsBy Pamela BookerGreat gift to go with the Crackers!

For over 150 years, crackers have been a traditional part of Christmas festivities in the UK, but who was the creator of this wonderful innovation? Little is known about Tom Smith, confectioner and cracker creator, but Peter Kimpton draws on a wealth of archive material to relate the story of Tom Smith and the Christmas Cracker. From humble beginnings as a confectioner, Tom Smith created a highly successful company through the manufacture of crackers. The history of the company is richly illustrated by contemporary trade catalogs and company artwork. Today, the Tom Smith Group is proud to be the official supplier of Christmas crackers to the Royal Household, a tradition long held since the beginning of the 20th century.
