**Memory Makers : Totally Teen Scrapbook Pages: Scrapbooking the Almost Grown-Up Years** before purchasing it in order to gage whether or not it would be worth my time, and all praised Totally Teen Scrapbook Pages: Scrapbooking the Almost Grown-Up Years:

0 of 0 people found the following review helpful. Five StarsBy RTgranddaughter loved it.3 of 3 people found the following review helpful. AwesomeBy Donald R. Van SlykeI checked this item out from our local library and knew it was one I had to have for my own collection. I took a chance and purchased a used book from you and was so [pleased with the excellent condition. Plus, it came in a timely fashion and saved me some money!0 of 0 people found the following review helpful. One StarBy KatrinahDidn't like it. Waisted my money. Ugly work. Wouldn't want to do

pages like these. Just no spark. Blah.

The teenage years are unique times deserving of equally unique scrapbook pages. Whether you are a parent seeking to chronicle a typical day-in-the-life or a teen wanting to celebrate your friendships, activities and events, "Totally Teen" is packed with edgy inspiration for creating pages that capture the true essence of today's teen. Scrapbookers will discover: Ideas for creating pages for a wide variety events, such as first jobs, school honours and awards, sporting events, dances, driving lessons and graduations; Techniques for blending journal entries with photos and other keepsakes; Tips for transforming ideas into one-of-a-kind personal expressions; Original pages which are easy to re-create for readers of all skill levels.

About the AuthorMemory Makers Books are an extension of the widely popular Memory Makers magazine and offer the highest level of instruction and inspiration for scrapbookers- the fastest growing segment of the craft industry.
