**Tim Holtz, Michele Charles, Lisa Vollrath : Trading Card Techniques ATCs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trading Card Techniques ATCs:

2 of 2 people found the following review helpful. THIN BUT GREAT By Lynda O. ADELSON This book isn't very thick, but it is chock full of tips, techniques and ideas for creating artist trading cards. I have referred to this book many times and it was very helpful in how to cut your own ATC. I would recommend this to anyone interested in ATC's or ACEO's. 10 of 10 people found the following review helpful. Trading Cards Techniques ATC By looking really looking I am always looking for new and exciting ways to make my ATC's shine. This book has some very delightful ATC's, good techniques and lots of fun ideas. I would recommend this book. 0 of 0 people found the following review helpful. Five Stars By Customer Bought this one for a friend to help her understand what a atc card is

Create trading cards for a quick and creative project that challenges your creativity.

About the Author Tim Holtz travels across the country demonstrating products for Ranger. His product lines include papers, strips, inks, and more. Michele Charles has traveled extensively throughout the US teaching creative techniques and projects. Lisa Vollrath is a prolific and outspoken mixed media artist and writer. Her creative work includes altered books, artist trading cards, decos, artistamps, art dolls, digital collage, assemblage and all manner of paper arts. She is also the owner of Ten Two Studios, a publishing company focused on all types of mixed media art, and Go Make Something, an archive of how-to instructions and printable images for mixed-media enthusiasts.
