Carol M. Heppner : Trading Card Treasures: Sharing Cherished Photographs before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trading Card Treasures: Sharing Cherished Photographs:

1 of 1 people found the following review helpful. ATC Cards By Christine Bialczak I thought this book was going to have a few more examples in it than it did. The pages were full of pictures but spread out so it looked like there were more than there really were. Also, many of the pages the cards were the same so it didn't really give me many ideas. It was nice though. 2 of 2 people found the following review helpful. Remember Trading Cards? By Barbara Lyn What to do with all those great photos you have taken? Don't want to just keep putting them into albums? Then TRADING CARD TREASURES is the book for you. This book shows you how to create a "trading card" - you know like the ones that used to come in Bubble Gum? Following the instructions given, you can create great trading cards or just keepsakes to give to others. By joining the skills learned as a scrapbooker, rubber stamper and photography with paper, ribbon, ink, and assorted embellishments, you will come up with a card that is unique to you. It will contain memories of an event or show an upcoming event. It can announce a party or a birth or any other idea you wish. The patterns

includes a list of materials needed to create that card and has photos of what the finished card will look like. Step-by-step instructions walk you through the process needed to complete the card. With 50 ideas given, you may have a hard time picking one to start with. Gather up your scrapbooking and rubber stamping tools and the photos you have taken and create your own trading cards.

Join in the popular craft of using photos, scrapbook papers, embellishments, and supplies to create your very own stunning photograph trading cards. Test your creativity on petite-sized cards, then give them as a gift, trade them, or keep them for yourself.* Trade cards online, through magazines, and in groups, use them as invitations and greeting cards, or frame them as tiny works of art* Find inspiring new ideas and experiment with techniques, tools, and materials while using up those hard-to-discard paper scraps* Did you know? Artist trading cards have been around since the 16th century! Try your hand at your own modern layout.
