**Matt Shay, Brandy Shay : Ugly Christmas Sweater Party: Christmas Crafts, Recipes, Activities** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ugly Christmas Sweater Party: Christmas Crafts, Recipes, Activities:

0 of 0 people found the following review helpful. Five StarsBy CustomerI loved this book. So many cute ideas. Beautifully done.0 of 0 people found the following review helpful. Three StarsBy LampostCan get just as good ideas off the internet for free1 of 1 people found the following review helpful. Fantastic Party Book!By Marquee MonsenThis book was so fun and had so many new idea's for me...The food and drinks were a hit and sure to be a tradition! I especially love the step by step instructions that make it so easy for me to design my own "ugly Christmas sweater"..my granddaughter especially loves the bright color and illustrations, she brings it to me to look at the pages every night! So if you are looking for a great step by step Christmas party book look no further this is it!!!

Twas the night before the ugly sweater soireeAnd all through your place,Your perfect party clothes were put away without even a trace.Your guests will drink cranberry cocktails and craft,While wearing sweaters that are zany and daft. Put on your ugly holiday sweater and get ready to PARTY! Whether youre planning your own wacky celebration

or contributing to someone else's festive affair, here are the most deliciously ugly (in a good way!) ideas for making Christmas merry. Dress up in a crazy Poinsettia Poncho. Serve easy-to-prepare eats and drinks like Strawberry Santa Hats and Jingle Bells Sangria. Play a game of Candy Cane Pickup. You're ready to go: just set the date!

Ugly Christmas sweaters have moved from the embarrassing garb of old family photos to a thing to be celebrated along with the holiday. Parties with a dress code specifically focused on these now (ironically) appreciated garments have become a tradition for some, and this book seeks to provide guidance to making them the best gatherings they can be. More than 20 recipes for food and drinks will fit just about any Christmas party, though several do feature a sweater theme or shape. Most of the crafts, which could be used as party prep or as activities at the gathering, feature sweaters, while some revel in the general tackiness of holiday decor from decades past. There are instructions for decorating more than a dozen ugly sweaters as well as headbands, shoes, and even a Christmas tree dress constructed from copious yards of green tulle. A few simple party games are outlined, though certainly the ugly sweater competition will be the highlight of any such get-together. A link to downloadable themed bottle labels, invitations, and awards is included. Booklist The Shays, who cofounded the marketing agency Shay Design, have graciously prepared a field guide to all things ugly before Christmas: sweaters, drinks, games, accoutrements, etc. The creative couple throw their annual party to raise funds for a family in need, but such parties can merely raise fun, too. The gala starts, of course, with the ugly sweater; for those who don't have one, they offer ways to uglify apparel from the closet or thrift store-glued garlands for humans and pom poms for pups. They start with the menu to whet your appetite for throwing this party of marked hideosity. The food, including an ugly sweater cake, can be washed down with spiked drinks, such as Grinch punch. The hideous projects look easy, but the cozies require real work, including crocheting, knitting, and hot-gluing. Except for the sewing projects, the directions are rarely explicit: buy a box cake, crank up funky music, arrange items in a pyramid. The games promote seasonal silliness. Toni Albrecht's photos properly elevate the endeavor to tacky and fun. Publishers Weekly
