I hoped for tips and tricks.. this happens when you can't review the book before you buy.0 of 0 people found the following review helpful. Good BookBy MillicentI was expecting more about beading it has a little information about all types of jewelry making it is a good book, just not what I was expecting0 of 0 people found the following review helpful. Perfect.By Elizabeth Lennert CustomerJust what I wanted. Perfect.

Beading is one of today's most popular crafts and *Ultimate Beading Bible* shows you how to get in on the fun. It brings together all the main crafts that use beads in one fabulous book. Learn about all the basic tools and techniques and the variety of ready-made beads you can buy. See how to make your own beads from scratch, create unique jewelry, use beaded wirework on decorative items and cards, do bead looming and weaving, and add beads to knitting, crochet, and embroidery. You'll discover a new creative world to enjoy.
