Excellent illustrations and color photographs. No "way -out" material that you can't purchase in any crafts store. Projects range from making your own wrapping paper,boxes. cards and tags to elegant place settings and Christmas tree decorations. In addition to crafts the book has several easy to make holiday feast recipies. Everyone I know who is crafty loves this book!!2 of 2 people found the following review helpful. Elegant craftsBy A CustomerThe crafts projects in this book are classy -- no "loving hands at home" look here. I would make 90% if I had the time.0 of 0 people found the following review helpful. Explains how to celebrate Christmas with a collection of more than one hundred classic and modern home decorations, fifty delicious recipes from around the world, festive gift wrappings, tree trimming, crafts, and menu planning, in an essential guide to a stylish Christmas. 60,000 first printing. BOMC Alt.

.com Filled with stunning photographs of countless ideas, this volume seems to cover all aspects of decorating for the big day: choosing and trimming the tree, making wreaths and garlands, designing lighting effects, adorning the mantelpiece, producing handmade wrapping and cards, and setting a spectacular table. In addition, there are complete recipes for four international meals plus appetizers, and a large selection of desserts. Whether you're preparing to host a horde or just have a few friends over, this book will satisfy the creative holiday impulse. From Library Journal  
Written by a well-known English home decorator, this is a book of stylish Christmas crafts and foods that are excellent for holiday entertaining. Included are decorated trees, wreaths, garlands, lighting arrangements, cards, table settings, and recipes from several countries. Color photos accompany all the excellent step-by-step instructions. Similar in concept to the Better Homes and Gardens Treasury of Christmas Crafts Foods (LJ 12/1/80), this book offers an up-to-date selection of currently popular crafts.
