They can be used in so many ways. This book was worth the price.0 of 0 people found the following review helpful. LUV IT!!By Walescka SotoI'm going to use this book

aaaaaaaalot!!! instructions are easy to read and follow.... it will keep me busy year round4 of 6 people found the following review helpful. Great Book, No DirectionBy Esin MessinaThis is a great book filled with many great ideas. It has many photos of invitation ideas, however there is no step by step instruction on how to do them. There are a few instructions that are presented as if they are tips for creating certain embellishments or card styling. Buy this book if you are familiar with how to make cards and need some inspiration. But, if you are new to making cards, I would suggest the book .

Make every occasion special with handmade unique invitations and announcements.

About the AuthorMelissa Collette Giles grew up in Northern California. Having graduated from Brigham Young University with a bachelor's degree in visual arts, she is now living in American Fork, Utah, with her husband, Greg, and son, Jacob. Melissa is the designer of several scrapbook product lines, including Page Toppers for Cock-A-Doodle Design, Seasons and Whimsies for My Mind's Eye, and papers and titles for Treehouse Memories. When she's not designing, she loves to spend time with her family and friends, travel, and take lots of pictures.
