Danny Seo is America's leading lifestyle authority on modern, eco-friendly living. In his last book, Upcycling, Danny demonstrated how to create beautiful things with the stuff you already have. Now he returns with 100 more projects this time focused specifically on parties and holidays. Whether you're making dramatic party favors for New Year's Eve, giving a unique birthday gift, creating paper lanterns for a summer BBQ, or planning the Thanksgiving table, Danny shows how you can transform the ordinary into striking one-of-a-kind objects that will make every occasion a little more festive.
