USA TODAY : USA TODAY Jumbo Puzzle Book 2: 400 Brain Games for Every Day (USA Today Puzzles)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised USA TODAY Jumbo
Puzzle Book 2: 400 Brain Games for Every Day (USA Today Puzzles):

3 of 3 people found the following review helpful. Awesome Brain Games for any age! By Sheryl D Long I bought this
after my OT/Speech therapist recommended types of puzzles I should work on. I have slight brain damage from fixing
an unruptured brain aneurysm with coiling and stent 4 years ago and my memory has been really bad. I really like
most of the games/puzzles here with the exception of the crosswords (which I never liked beforehand either). I highly
recommend this book of games for anyone needing to exercise their brains. 20 of 20 people found the following review
helpful. So entertaining! By Jessica I bought a copy of this book for my friend, and accidentally ordered another for

myself. Lucky me, I LOVED this. It was so entertaining and I learned a bunch of new puzzles. I'd buy this again (or another just like it) in a heartbeat. 11 of 11 people found the following review helpful. Stress Reliever! By V. S. This is one of the best puzzle books that I've bought. You are given clear instructions on how to do each puzzle with different levels of difficulty. It is a good stress reliever! Keeps you focused on the solutions which are attainable.

Bigger is definitely better in the case of the second oversized puzzle book from the world's top newspaper. The USA TODAY Jumbo Puzzle Book 2 is a collection of brain games including 400 puzzles that will amuse and entertain. Logic, crossword, Sudoku, Word Roundup, and Hidato will keep fans busy for hours and hours. This hefty tome features twice the number of puzzles than most books and for just a few dollars more. Sharpen your pencils and get ready for challenging fun!

About the Author USA TODAY has been in circulation since September 15, 1982, and has a daily readership of nearly 6 million in print and online. Online: puzzles.usatoday.com
