**Vanessa Ann Collection : Vanessa Ann's One Hundred One Christmas Ornaments** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vanessa Ann's One Hundred One Christmas Ornaments:

2 of 10 people found the following review helpful. Creative variety of projects for ChristmasBy Jane StancliffThis book contains a good variety of projects with clear instructions and very easy to read graphs. The beaded nativity ornaments project (pages 8-15)is one of my current projects. I've not seen a similar project in any other craft book.

An all-new collection of lovely handmade ornaments that are as quick and easy to make as they are handsome. Projects range from easy to challenging, include full-size patterns and easy-to-follow instructions, and employ cross-stitch, knitting, crocheting, quilting, embroidery, woodwork, beadwork, and more. 70 color photographs.
