Dover : Viennese Art Nouveau Stained Glass Designs CD-ROM and Book (Dover Electronic Clip Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised Viennese Art Nouveau Stained Glass Designs CD-ROM and Book (Dover Electronic Clip Art):

0 of 0 people found the following review helpful. Clip art that's great for letter writing!By Lynn RiordanI am very much enjoying this clip art. It certainly captures an era. As for the use of it, it is very handy for me to decorate letters and postcards. If you are a letter writing enthusiast, this is one item you want in your toolbox.1 of 1 people found the following review helpful. All kinds of nouveauBy ChrijeffFrom classic leaded windows to abstract designs that look

more like rugs than anything to a landscape that seems to portray a middle Eastern village (the dome and minaret that dominate it certainly suggest so), these pages include the full range of Nouveau stained-glass work. People, animals, ships, supernatural beings, and above all imaginative designs ranging from conventionally early-Nouveau floral to near-Deco abstractions, are here, all of them reproduced in full, if muted, color. An index would have been helpful, as would some attempt at description of the pieces, but even without them, anyone who appreciates Nouveau should find the collection useful and enjoyable.

This stunning array of stained glass motifs has been carefully hand-picked from rare, original early-twentieth-century Viennese portfolios. Still fresh and contemporary, these sparkling designs offer delightful expressions of the Art Nouveau style. The delicately colored motifs present a variety of natural images, as well as striking geometric forms reminiscent of the work of Frank Lloyd Wright. Immensely useful and moderately priced, this treasury is rich with high quality graphic designs featuring exotic birds and wildlife jewel-like abstracts lovely florals and foliate designs fascinating landscapes and other stained glass images sure to leave a lasting impression on artists, designers, and craftspeople. This book includes a CD-ROM containing 264 royalty-free images saved in high-quality JPEG format.
