Franz C. Renner, Max Seemann : Viennese Stained Glass Designs in Full Color before purchasing it in order to gage whether or not it would be worth my time, and all praised Viennese Stained Glass Designs in Full Color:

Reprinted from a rare original portfolio first published in Germany in 1911, this idea book for leaded-glass window artists contains more than 100 motifs reproduced in glowing full color. Designs include exotic birds, a jewel-like butterfly, a splendid unicorn, swan and lion, beautiful flower and leaf designs, landscapes, unusual imaginary beings, dazzling abstracts, geometrics and more. 110 color illus.

Language NotesText: English, German (translation)
