Vogue Knitting Stitichionary Volume Six: Edgings: The Ultimate Stitch...By FrogsongI have been collecting these knitting stitch dictionaries and now have the complete set.The Vogue Stitichionary books should be in every knitter's library. They are very informative, teaching you a large variety of stitches in ways that are easy to understand and are current with today's knitting lingo. The photography and illustrations are tops quality and very helpful when trying to choose just the right stitch for your planned project. If Vogue continues with these Stitichionaries, I will continue to collect them. They are some of the best stitichionaries for knitters that I have seen. The pages are quality glossy paper and I just love flipping through the pages and seeing all of the patterns and thinking about what I could do with them.0 of 0 people found the following review helpful. EXCELLENT REFERENCE KNITTING BOOK FOR CREATIVE KNITTERS.By EstherOfKentExcellent book of edgings to add a finishing touch to your knit fsbrics.No patterns for completed garments.This is for the knitter with the urge to knit unique knits without copying another designer's ideas to the last stitch.Part of the Vogue Knitting Reference series.Has great ideas for yhe experienced, creative knitter.A book to treasure for ideas.0 of 0 people found

the following review helpful. Five StarsBy K. SmithThese books are so well done! Clear, colorful photos... will complete my set.

The sixth installment in the popular Stitchionary series provides a comprehensive collection of more than 200 edgings drawn from the Vogue Knitting archives, arranged in seven chapters: ribs, cables, texture, color, lace, embellished, and crochet. With clear, concise instructions, charts, patterns, and over 150 gorgeous color photographs, Vogue Knitting Stitchionary Volume Six: Edgings is an essential reference for every knitter's library.
