before purchasing it in order to gage whether or not it would be worth my time, and all praised We Make Dolls!: Top Dollmakers Share Their Secrets Patterns (Paperback) - Common:

Making super-cute stitched dolls is a beloved tradition. This book features some of the freshest new designs from 10 of the world's leading dollmakers. It offers 23 projects with full-size templates and trendy plush creatures as well as sweet-faced human and animal forms. It also includes profiles of the artists.
