Stephen Roberts : Wedding Flowers Made Simple: Over 80 Glorious Designs for that Special Day before purchasing it in order to gage whether or not it would be worth my time, and all praised Wedding Flowers Made Simple: Over 80 Glorious Designs for that Special Day:

0 of 0 people found the following review helpful. Four StarsBy marjorie a mulcahygood!0 of 0 people found the following review helpful. Inspiring!By P. LopezLots of great ideas to strive for! Richly done, yet my preference is more towards outdoor weddings! Good reference book for any bouquet one would like to make!0 of 0 people found the following review helpful. Five StarsBy Lisanice guide

From a gorgeous bridal bouquet to fabulous table arrangements, flowers help make every wedding special. Now an award-winning florist shares more than 80 floral design recipes to suit any wedding style, location, or budget!Wedding

Flowers Made Simple is conveniently organized into three sections, each focusing on a particular floral theme. Timeless Classics highlights traditional wedding flowers like roses, orchids, and lilies. Seasonal Flowers features seasonal blooms (tulips, hyacinths) and other elements like grasses, mosses, berries, and fruits. And Sweet Perfume showcases flowers with heady fragrances, like lilacs, lavender, and sweet peas. Themes are presented in a variety of settings, ranging from a country mansion to a sleek urban eatery. Each set of designs centers on a stunning bridal bouquet and includes instructions for creating coordinating arrangements for attendants (boutonnieres, headdresses, and corsages), the ceremony (garlands, pew decorations, floor vases), and even for the reception (centerpieces, favors, napkin rings, and more). Wedding Flowers Made Simple not only provides dozens of helpful hints for selecting flowers, designing arrangements, assembly, and construction, but also gives the couple-to-be, family, and friends a wealth of dazzling, inspirational designs and professional know-how for crafting the perfect floral arrangements for that very special day.

About the Author Stephen Roberts won his first prize at a major horticultural show at the age of 13. He went on to become a successful landscape architect and now designs wedding flowers for clients throughout England and Wales. A former Florist Magazine Florist of the Year, he lives in Wales.
