I love itBy Sophy RamThis is journal to write in, you could probably tape pictures in it and put stickers to make it more scrapbook like. I love it, exactly what i was looking for!0 of 0 people found the following review helpful. It is a paper back book and every page has lines on it like a journalBy LindseyThe description of this is completely wrong. It says it's a scrap book. It's definitely a journal. It is a paper back book and every page has lines on

it like a journal. It's no where near a scrapbook. Very disappointed.

Use this Journal Scrapbook to create a really special gift to give to your loved one. Put in pictures of the special moments and write about your best memories.
