Windows From A Different Perspective from Wardell Publications stained glass introduces Mark Levy Studio, one of California most innovative art glass studios. He shares the photo archive of leaded glass installations to create an inspirational book of stained glass design. This 80 page all color book features more than 110 photographs of stained

glass commissions. The glass creations of Mark Levy have graced public, private, and corporate collections for over 24 years. His works have been described as bold, complex, and architectural, with an uncompromising attention to detail. Mark is keenly aware that his cutting edge designs will have an effect on the viewer and meticulously composes each project with careful glass selection. He has a unique combination of intrinsic artistic ability and extensive architectural training which enables him to effectively create an artistic reality that is in harmony with the surrounding space. Mark has a personal conviction to exceed the expectations of his clients by challenging and expanding his artistic boundaries.
