Jennifer Rounds, Catherine Comyns : Winter Wonders: 15 Quilts and Projects to Celebrate the Season before purchasing it in order to gauge whether or not it would be worth my time, and all praised Winter Wonders: 15 Quilts and Projects to Celebrate the Season:

0 of 0 people found the following review helpful. Highly recommended By Ethereal Beautiful quilts for Christmas. Not just your ordinary pieced quilts, these require more work but you'll be so glad you took the time to make one or all. 4 of 4 people found the following review helpful. truly lovely projects By Edane This is an outstanding book of truly lovely quilting projects, originally published in Japan. The designs are Japanese renditions on American Christmas time and Winter themes, subtly different from American visions of the same subjects. The quilts and smaller projects are both elegant and inviting. Several are now on my 'to make' list :-) I personally love this book and recommend it to the collection of any quilter.

These new Christmas designs come from Japan's leading quilt publication, 'Nihon Vogue'. There are 15 projects, featuring a range of traditional techniques, from paper piecing to applique.

About the Author Jennifer Rounds is a professional quilt maker and freelance writer. She writes the "Feature Teacher" column for The Quilter magazine Catherine Comyns is a retired nurse who turned her love of quilt making into a second career. She teaches, designs, and judges, in addition to being an award-winning quilter herself.
