A very useful Wire-Wrap BookBy Judy B. RossThis has been the most useful book. From some of the instruction I've made some really neat wire-wrap and wire-formed jewelry, taught others and have loaned the book to help others get design ideas. We don't copy what's in the book, we just use the techniques to make our own designs.0 of 0 people found the following review helpful. Very GoodBy nut-nutI am new to the jewelry hobby.
