**Iris Sandkuhler : Wire Fused Jewelry: techniques from the Sandkuhler Studio** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wire Fused Jewelry: techniques from the Sandkuhler Studio:

0 of 0 people found the following review helpful. wonderful artist and delightful teacherBy HannahIris is an old friend, wonderful artist and delightful teacher. All of these are reflected in this easy to-follow instructional book. Her humor sprinkled through makes it a fun experience.4 of 4 people found the following review helpful. the next stepBy Pip's momi've been doing wire-wrapped jewelry for awhile now and am looking for the next step to advance my skills. This book is inspiring and gives some practical advice and projects for learning silver fusing. The instructions are easy to understand, and there are lots of pictures, which is a plus!12 of 13 people found the following review helpful. Great jewelry, writing photosBy Amy J from SF Bay AreaI highly recommend this book to jewelry makers and anyone who wants to learn how. There are step-by-step instructions and clear color photos for each technique and tool, and many

ideas to help you be creative in making chains and adornments for necklaces and bracelets. Her section on tools will help you save money and stay safe. The author writes that she also offers workshops around the country, private lessons, and distance learning from her website. She tells many fascinating stories about her life and her inspirations for jewelry throughout the book, so you'll enjoy reading it!

The beginner is taken through every step of the wire fusing process, starting with a detailed discussion of tools and materials. Projects designed to successively build on your skills in working with wire, starting with a simple charm bracelet and progressing to more complicated, decorative chain and composition work.

About the Author Iris Sandkhler, a professional jewelry designer and teacher, is also an artist based in Northern California. Her broad range of art forms include eclectic collages/montages, pen-and-ink figurative drawings, exquisite handcrafted gold, silver, and copper jewelry, and whimsical accessories.
