J. and S. Hamamura : Woven Works before purchasing it in order to gage whether or not it would be worth my time, and all praised Woven Works:

2 of 2 people found the following review helpful. ContentsBy 2crazy4books2woven worksby john and susan hamamura1978"WOVEN WORKS traces the techniques and motifs used by 36 contemporary fiber artists back to their origins in the crafts of Africa, the Middle East, Scandinavia, Peru, Bolivia, and Japan. By comparing the ancient and the modern pieces shown in this book, it is possible to see how a certain knotting technique or a particular border decoration done thousands of years ago recapitulated in the modern work....."This book has 95 pages and is profusely illustrated.
