The internationally bestselling phenomenon with over 7 million copies sold! Paint, poke, create, destroy, and wreck to create a journal as unique as you are. For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of *Wreck This Journal*, a subversive illustrated book that challenges readers to muster up their best mistake- and mess-making abilities to fill the pages of the book or destroy them. Through a series of creative and quirky prompts, acclaimed guerilla artist Keri Smith encourages journalers to engage in destructive acts: poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art- and journal-making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process. To create is to destroy. Happy wrecking!
