fun, arrived damaged

Neat book - it arrived bent up - which would have upset me but for the name/purpose of the book. (The bent corners of the cover were not part of the gimmick). Gift for two tweens

This was a Christmas gift for my 8 year old daughter and she has had a lot of fun working on it. It is definitely out of the norm for her and she had a look of disbelief when I explained what it was for. In fact, as she was smearing dirt and water on one of the pages she kept repeating "I can't believe I am doing this". Great thinking outside the box type of journal and I definitely see more in our future!

The nifty-sized miniature follow-up to the international bestseller *Wreck This Journal* perfect for die-hard wreckers wherever they are in the world! Featuring dozens of new activities as well as some of the most popular prompts from the original, *Wreck This Journal Everywhere* will have you travelling the city streets and country byways, filling the pages with man-made and natural objects, recording what you see, drawing, doodling and destroying pages as you go. Perfect for sliding in your pocket or stuffing in your bag, *Wreck This Journal Everywhere* is the ideal creative companion. To create is to destroy. Happy wrecking!

Buffalo News The ideal gift for artistic minded people, or not, for that matter, as what I love about this book is that there is no right or wrong. Neat, messy, colorful, dark, you can wreck however you want.
Hawwa, etc. I've kept journals before, but have never written in them as frequently as I write in my *Wreck This Journal*. It is great for inspiration; it gives you tasks that are thought-provoking rather than pages of endless blank lines. It is a great way to pass the time and a great gift for anyone, no matter how young or old.
Teen Ink *Wreck this Journal* makes a great gift for someone who's going through a stressful time, needs a form of release, or anyone who could use a few minutes of fun.

Craft Critique Calling all bookworms and creative doodlers, *Wreck This Journal* is the perfect book to spruce up your summer. . . . It's a wonderful stress reliever and brings out the inner childish behavior we are so often told to get over. You won't be disappointed.
