Darra Williamson, Christine Porter : Year in the Life of Sunbonnet Sue, A: 12 Small Quilts before purchasing it in order to gauge whether or not it would be worth my time, and all praised Year in the Life of Sunbonnet Sue, A: 12 Small Quilts:

2 of 2 people found the following review helpful. Very cute patterns, however...By Anastasia Ricks This is a wonderful book, full of great Sunbonnet Sue ideas. They are extremely cute, which is why I purchased the book. However, I found the directions a bit wanting. If you're not thinking you may not think to reverse your pieces as if you trace right from the book they are backwards. There isn't any mention of this in the directions. Also, for the March Madness project, getting the zigzag pieces to match up if you piece them is a challenge. So it is better to make this a solid piece. If you purchase this book just be sure you read ALL the instructions before you begin the project. 0 of 0 people found the following review helpful. Five Stars By Kindle Customer Love it 1 of 1 people found the following review helpful. Sunbonnet Sue By Florence E McKinney The designs are lovely, inventive and easy to follow. Lots of possibilities for

quilts, pillows, small wall hangings and more. Rec'd in excellent condition.

Using today's exciting fabrics, quilting experts Christine Porter and Darra Williamson give Sunbonnet Sue a wonderfully updated look. Find 12 small quilts featuring different themes, one for each month of the year. Enjoy full-sized pattern pieces and fast-and-easy fusible applique. Discover fun embellishing tips with each project.

By Christine Porter and Darra Williamson, this title brings a touch of class and modernity to this American icon. At the same time the designers have retained Sue's charm and innocence. In these quilts, she has shed the apron. These are color-rich, seasonal projects with one for each month of the year. Suitable for beginners, the delightful, quick and easy designs will be ready in no time. They're only 22 inches by 26 inches. These combine applique and easy piecing techniques. The center panel of each quilt depicts Sue engaged in a seasonal activity. The borders offer seasonal motifs, which are mostly appliqued. January shows a ski trip. In the summer Sue goes on a cruise and visits the beach. September finds her back in the classroom. These are darling quilts you'll proudly display throughout the house. For each project the authors provide a list of materials, a cutting chart, and step by step, color illustrated instructions from start to finish along with color layouts. There are full-size, ready to use applique templates. Throughout the book there are boxes with quick tips. This title also covers sewing and quilting basics as well as hand and machine applique. -- Sewing/Needlework @ Suite 101 Sunbonnet Sue gets a facelift for the 21st century. This classic little girl continues to enchant quilters generation after generation. Quiltmakers Christine Porter and Darra Williamson present 12 small quilts, 22" x 26", that feature Sue in seasonal settings based on the theme of the month. January finds Sue hitting the slopes on her skis. Sue dons her yellow rain slicker for those April showers and come September, Sue heads back to school. The book is broken down into two sections. "Sue Basics" is an area where all the elements common to each quilt are presented. Following that, you have your choice of 12 seasonal quilts you may want to create. Make them all or just choose your favorite. The patterns are designed for fusible applique. If you would like to hand applique your quilt you will need to reverse the patterns and add 3/16" to 1/4" seam allowance to each template piece. Full-size patterns for Sue and elements for each quilt can be found in the book. As an added bonus you can visit a website listed in the back of the book for instructions for two larger quilts using the same Sue blocks you created in the smaller projects. -- The Applique Society By using today's enticing fabrics, quilting experts Christine Porter and Darra Williamson give Sunbonnet Sue a wonderfully updated face lift and a new lease on life. There is a series of small quilts, one for each month of the year. Featuring seasonal themes, fast and easy fusible applique methods and useful embellishing tips. She has returned with a modern new look. -- Fabrications Magazine About the Author Darra Williamson has been quilting and teaching for almost 30 years. Named Professional Quilter magazine's 1989 Quilt Teacher of the Year, she has taught throughout the United States and the United Kingdom.
