Robert Rath : Yellowstone's Hot Legends and Cool Myths before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yellowstone's Hot Legends and Cool Myths:

0 of 0 people found the following review helpful. Great for older kids By J. Westrick The graphic novel format is great for my kids (age 12 and 14). I was hoping for more detailed information but it worked for what we needed. 0 of 1 people found the following review helpful. Great book for kids with some awesome illustrations By Juan A. Pons Got this book for my son and he absolutely loved it. The illustrations are beautiful and the stories very engaging. We wish it had more stories. 0 of 0 people found the following review helpful. Four Stars By RaptorPilot Okay, not much of a

read. Probably aimed more at children.

Ten of Yellowstone National Park's most fascinating tales are presented in an appealing graphic novel format, perfect for kids ages 8-12. Come sit by the campfire and listen as Tall Tale Tom brings to life some of park's wildest legends and myths! -Discover the adventure in American Indian creation stories -Explore the incredible legends told by Yellowstone's mountain men -Shiver as you read spooky stories of Yellowstone's ghosts -Feel the heat as myths about the Yellowstone wildfires of 1988 are scorched Visit at FarcountryPress.com for more information.

In this cleverly organized graphic novel...[Robert Rath's] illustrations are as amusing as they are enthralling. This is a great book for younger readers and something that all ages could appreciate. --Spencer Shafter, Montana State of the Arts
