I love the coloring book from Dave Ember By Shemmi I love the coloring book from Dave Ember, I have all three of them, Yosemite, Yellowstone and my favorite Glacier national park. I hope you keeps doing the National park, awesome book. 1 of 2 people found the following review helpful. Beautiful coloring book By Rhonda L. B. I have the Yellowstone book by Dave Ember so I knew I was going to get this book when it came out. I am not at all disappointed it. The images are consistent with what was in Yellowstone and there is a lot of interesting information about Yosemite inside as well. The postcards this time are several different images where in the Yellowstone book I had repeats so this book earns a thumbs up for that. I know the artist is working on a third book in the series and I look forward to it :) The paper is the same in this book as the first book which is thick and able to take several layers of pencils. The images are one sided where the other side generally has information about the park on it. I will add photos as I complete pictures! :) 0 of 0 people found the following review helpful. Five Stars By Pegmom Wonderful

A magical coloring journey through Yosemite with 44 marvelous illustrations. Color Yosemite Falls, Half Dome, black bears, the Nevada red fox, Yosemite flowers, and The Majestic Yosemite Hotel (formerly The Ahwahnee

Hotel). 8 postcards and 4 bookmarks on extra-heavy perforated paper to share with family and friends are included.

About the Author Dave Ember is an award-winning illustrator and designer who creates images for an international clientele. Clients such as Hewlett-Packard; Playboy, Inc.; and The New York Times rely on his bold, graphic style for editorial, corporate and advertising art. This is his second coloring book. Dave was born in York, PA, and received a BFA from Tyler School of Art in Philadelphia in 1982. After college he worked for both The Oakland Tribune and San Francisco Examiner newspapers as a staff artist. He moved to Bend, OR, in 1994 to establish his freelance career. Dave lives in Bend with his wife, Carrie Compton, sons Jalan and Drake, and a golden doodle named Nessie, in the outdoor wonderland that is Central Oregon.
