**Bea Carlton, Anne Kircher : You Can Do Christian Puppets** before purchasing it in order to gauge whether or not it would be worth my time, and all praised You Can Do Christian Puppets:

Really two books in one! First a book of puppet craft which details how to construct papier mache puppets, cloth, moveable-mouth puppets, how to build a folding puppet stage and instructions about using puppets in performance. Many pages of action illustrations and patterns to help guide the user. The second half of the book includes a wide

variety of puppet playscripts including Old Testament themes, church life plays, Christian behavior, Bible lessons, special days and other topics. The best possible book for a beginner or for a teacher who is instructing others to do puppetry. A valuable book for every church school library.

From the PublisherTwo books in one, containing numbers of puppet patterns, a stage pattern, How-to-do's, plus many playscripts by popular Christian mystery writer, Bea Carlton.
