**Ciparum llc : Zombie Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Zombie Coloring Book:

0 of 0 people found the following review helpful. Five StarsBy StephanieLived up to description

Zombie Coloring Book provides children the outlet to hone their motor skills through coloring. This Zombie book is full of awesome images that are fun and sometimes run wild with the imagination. Completing this activity book is a great way to spend the holidays. The Zombie theme throughout the book makes it a great gift to keep children occupied and entertained especially during the Halloween period!
